JobLink International focuses on providing comprehensive people solutions to its clients in a partnership approach to sharing risk and business goals. JobLink International Recruitment has access to a global network of candidates and employers to provide a seamless solution for your staffing requirements.

The Project

JobLink International is seeking qualified Aged Care, Disability and Home Support Workers to work for Aged Care, Disability, Home and Community Care organisations in Australia under temporary skills shortage (TSS) program.

Our Clients

JobLink International is an exclusive recruitment agency for Care Services Australia Limited.

Position Description

- Providing companionship and support during daily activities.
- Transporting clients to appointments, outings and social engagements.
- Implementing strategies for managing dementia and other health issues.
- Delivering activities that promote emotional and intellectual stimulation.
- Implementing care programs for clients in residential care facilities.
- Maintaining a safe living environment by minimising or removing safety risks or hazards.
- Performing household tasks such as preparing meals, laundry, shopping and cleaning.
- Using equipment to assist clients with limited mobility such as hoists, swivel cushions and wheelchairs.
- Liaising with other health care professionals, family members and carers.
- Assisting clients with personal care activities.

Eligibility Criteria for Support Worker Program

- Essential Skills and Experience

- **Qualification**

The minimum qualification required for this program is the CHC22015 Certificate II in Community Services, plus disability specialisation services units and skills set. For Candidates that do not currently hold this qualification, JobLink International will arrange for your training to commence with a preferred Registered Training Organisation (RTO).

- **Work experience**

A minimum of 2 years in the healthcare industry or equivalent experience. It is essential that upon submission of the Expression of Interest Form, the Candidate must currently have industry experience within the past 6 months.

- **English language skills**

IELTS overall band score (General Stream) of at least 5.0 with a score of at least 4.5 in each test component or similar equivalent English language test.

Position Suitability

- Current Passport.
- Candidate must be aged between 18 and less than 45 years old at the time of visa application.
- Candidate must be able to provide evidence of industry experience i.e. letters verifying employment and role by employer etc.
- A current resume that clearly outlines duties performed in healthcare industry roles.
- Candidate must provide copies of certificate and transcript for all Healthcare qualifications noted in resume.
- Candidate must be able to meet the JobLink International Character and Health requirements for this program.

Beneficial Attributes of the Support Worker Program

- Acquire an Australian accredited qualification.
- Have your qualification regularly updated to maintain future changes to the Australian legislative and industry requirements for the duration of your employment with an ongoing industry mentoring plan through JobLink International's selected RTO.
- Embarking on an exciting new career while experiencing and engaging in the Australian lifestyle.
- Possible visa pathway options.
- Gaining relevant work experience within the Australian Healthcare sector.

Desirable Qualities for our Candidates

- Proven record of community engagement experience.
- Ability to develop and maintain effective relationships with partners.
- Ability to work autonomously and as part of a team.

Remuneration (Salary)

- Level dependent on work experience and qualifications.
- Starting salary package from AUD\$65,195 per annum made up of AUD\$59,000 base salary plus AUD\$6,195 superannuation contribution.

Terms of Employment

- This is a full-time position.
- Employment contract will indicate the terms and conditions of the role based on existing workplace rights and obligations.
- Confirmation in of this position is subject to a successful three (3) month probation period.
- Subclass 482 (Temporary Skills Shortage) visa.
- The visa subclass may be determined by the nominating organisation according to their requirement.
- Job Placement may be situated within regional and remote locations in Australia.

Support Worker Program Timeline

Follow the step by step guide below, to see the exciting pathway that awaits you for your new career as a Support Worker within the Australian Healthcare Industry.
